

# *The Legacy You Leave*

---

**All You will leave behind for the world to remember is  
Your Legacy, so ask yourself...**

*Will you have earned the respect of your peers and  
the admiration of your critics?*

*Will you have acted humbly at the peak of success and graceful  
in the face of defeat?*

*Will you have kept your childlike wonder and reveled in the  
beauty of the world and the small miracles that each day brought?*

*Will you be remembered for how often you laughed and brought  
smiles to the hearts of others?*

*Will small children and the elderly have been overjoyed to be around you?*

*Will others have trusted you with their inner most secrets?*

*Will you have forgiven and offered heartfelt apology?*

*Will you have looked for the very best, and done your utmost to build worth,  
in others?*

*Will you have fed a hungry child or clothed a naked man or given hope to  
a stranger in dire need?*

*Will you have left this world a better place by the life you have lived?*

**What Legacy will You Leave?**
